LUMBAGO

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

The Curtis Publishing Company, for which Hays Heimbaugh is local agent, explains in a recent letter the cause of the failure of the circulation department to send out the copies of the Ladies Home Journal and the Country Gentleman regularly. They explained that a considerable part of their employees were at present on strike for the forty-four hour week. The company did not feel that it could comply with the demands at this time, and that it was at present impossible to print as normally. They said that the editions might be reduced and the paging curtailed on this account.

EVILS OF CONSTIPATION

Perhaps the most serious of the diseases caused by constipation is appendicitis. If you would avoid this dangerous disease, keep your bowels regular. For this purpose Chamberlain's Tablets are excellent, easy to take and mild and gentle in effect.

It's not a bit of trouble to have plenty of good things to eat on hand all the time, when you use Calumet Baking Powder.

Mix up a batch of biscuits—or the finest kind of cake—it's all the same. There is never but one result—the sweetest and most palatable of foods.

There is not as much worry over baking costs either. Because Calumet costs less—when you buy it—the price is moderate.

It costs you less when you use it—because you don't use as much of it—it has more than the ordinary leavening strength.

You get more out of the flour, sugar, eggs, shortening, etc., because there are no failures—no waste.

Received highest awards World's Pure Food Exposition, Chicago, Paris Exposition, Paris, France. The largest selling brand in the world. Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Doughnut Recipe

4 cups of pastry flour, 3 level teaspoons Calumet Baking Powder, 1/2 teaspoon of salt, 1 cup of sugar, 2 eggs, beaten together, 2 tablespoons of melted butter, 1 cup of milk. Then mix in the regular way.

Wisdom Looks at it This Way

It is foolish to buy a cheap thing because it is cheap. Cheap things usually give cheap (poor or indifferent) service. This is just as true of Plumbing and Heating Materials and Work. We furnish work and material—the sort that gives lasting Service and Satisfaction—at prices that stand for real economy in the long run.
